Notes:

- 1) These are cases recertified without going through the Unsafe Structure proceedings. May include cases initiated the previous fiscal year(s), since we issue extensions depending on the complexity of the case.
- 2) Number of Notices of Violation (NOV) issued. In some instances we may issue more than one NOV per case.
- 3) Cases closed include the cases Recertified (See Note 1), the cases exempted and the cases resolved through the Unsafe Structures proceeding.
- 4) Active cases at the end of the period include the cases opened in the Unsafe Structure System. The cases referred to Unsafe Structures are for non compliance with the parking illumination ordinance
